Feed

What type of feed did you use for your project?

What is the protein level of the feed?

What is the main ingredient of the feed?

Did you change feed rations while feeding out your project? If yes, explain in detail why.

Did you add any supplements to the feed? If so, list kind of supplement and why you chose to add it.

Why did you choose to take a market goat project?

What did you learn from this project?

How do you clip your animal for fair?

Why is hoof care important for your animal?

What do you use to worm your animals and why is it important?

Why are minerals important?

Please attach a feed tag or mix sheet.

THIS PACKET MUST BE TURNED IN AFTER THE FAIR TO BE ELIGIBLE TO SHOW AT THE FAIR NEXT YEAR.
