Feed

What type of feed did you use for your project?

What is the protein level of the feed?

What is the main ingredient of the feed?

Did you change feed rations while feeding out your project? If yes, explain in detail why.

Did you add any supplements to the feed? If so, list kind of supplement and why you chose to add it.

Why did you choose to take a market lamb project?

What did you learn from this project?

THIS PACKET MUST BE TURNED IN AFTER THE FAIR TO BE ELIGIBLE TO SHOW AT THE FAIR NEXT YEAR.
