

## 2007 "OHIO" Pumpkin Buyer/Seller Contact List

### **1. Introduction**

Wanted OHIO Pumpkin growers!

With the weather experienced this growing season throughout Ohio ranging from too dry to flooding fields there are many marketers that are trying to track down pumpkin suppliers.

The OSU Vegetable Team would like to help get OHIO markets in touch with OHIO pumpkin farmers. This list will help get those markets looking for pumpkins in touch with those growers who have pumpkins for sale. OSU is not a broker in any of these transactions; buyer's will contact the grower's (seller's) directly and arrange for shipment and payment.
