

**Champaign County Fair  
Cavy Breeder Management Project**

- This project is designed to follow your sow and boar from the day you choose to breed them until your self-evaluation of the offspring.
- Anytime you choose to breed animals, there must be a purpose and a plan for the offspring. This project should be approached as an improvement for the breed based on the ARBA standard of perfection.
- Participants must be at least in their 4<sup>th</sup> year of the 4-H cavy project.
- You must own both the boar and sow of the breeding pair.
- The boar, sow and at least one of the offspring must be displayed at the Fair.
- All cavies must pass a mandatory health check.
- All cavies must be in place by 1PM on Sunday of the Fair.
- You must complete the attached questionnaire, charts and attach pedigrees. This paperwork must be turned in two weeks prior to Fair at the skillathon.
- The offspring must be born on or after January 1<sup>st</sup> and on or before July 1<sup>st</sup>.
- You will present your project to a judge on Monday at the Fair.
- Breeder management cavies may also be shown in the breed show on Monday at the Fair.
- All cavies are released on Friday at 3 PM.
- A trophy will be awarded to the first place winner
- Cash Prizes will be given to 1-3 Place
- Rosettes will be given to 1-5 Place.

Have fun and good luck ☺
