Here’s how it works:

- Open to all 4-H members and advisors (think team work!)
- Find an item... ie. chair, feed pan, window pane, seed bin, boots, jeans, tractor part, jars, etc.
- Give it a new life! Repurpose ~ Reconstruct ~ Design and Decorate it!
- Complete an entry form. (This will help us determine space needed for display in the 4-H building.)
- Before and after photo recommended for promotion.
- Bring your completed item to the 4-H Building during booth set-up times on Wednesday and Thursday.
- Promote your entry thru your social media for the SILENT AUCTION!
