The Clover Communique

Champaign County

September 25, 2023

Hope you have all recovered from a busy summer and enjoying the start of the fall season. Many put 4-H and project thoughts out of their minds. I'm excited to say, we are doing just the opposite in the 4-H office.

Banner designs for 2024 have already been approved. Ribbon orders are ready to send, ear tags

animal ear tags arrived today and so much more in planning 2024. As one season winds down, we gear up for another. In order to help us, please complete the End of Year Survey to help us to continue to Make the Best Better [Click here to complete EOY Survey](#). Survey is open till September 30th. You should have received an email Through 4Honline at the end of August. This is same survey.

At the end of the Communique is the Schedule for 2024. More events and activities may be added. Please mark your calendars now for the important dates of Quality Assurance Trainings, Skill-a-thons, Judging Week and Camps.

We would love to have new members and involvement in our advisory committees/project planning groups. Your input is valuable. Fresh, new ideas, faces and hands are always welcome. Most groups meet every other month unless they are a very active group and plan events year- round. The Calendar reflects those meeting times.

**Rabbit & Cavy Meeting 9/25/23
at Fairgrounds Rabbit Barn at 7pm.**

Bring own lawn chair.

**Advisors and parents with interest in rabbits
are welcome.**

Everyone is doing a great job sending Thank you Cards this year. We are hearing positive feedback. Livestock checks went out this past week. Be sure to get the thank you notes out for your supporters to keep them coming back! 😊

Beef State Fair and Best Show Info

NEW for 2024: Ohio State Fair will NOT be providing EID tags for market beef entries. Exhibitors must get their own 840 tags. The EID 840 tag number MUST be listed on the envelope with the DNA sample. The DNA sample kits will be available in the Extension Office in November. State Fair deadline is January 15th to submit DNA sample.

Youth showing at any of the BEST sanctioned shows must have EID tags in their calves prior to the first show in which they exhibit. BEST shows prior to January 15 deadline to submit samples to OSF include: *Mardi Gras Masquerade* (November 17-19, Circleville), *AGR Holiday Classic* (December 8-10, Columbus), *Saddle & Sirloin Spectacular* (December 29-31, Circleville), and *Scarlet & Gray Midwest Showdown* (January 5-7, Columbus).

NEW for 2024 County: In order to assist many of our exhibitors who participate in State Fair and BEST Shows, the County will be using 840 EID tags on all fats this year. The tags are currently on order and should be here in approximately two weeks. If you have a beef animal you plan to tag in December and are taking to state or BEST shows, you may get a tag early. The County tags are for only those beef animals going to be carried as 2024 4-H and FFA projects. The Extension Office will send out a notice when the 840 tags arrive. If you have questions, contact Melinda Ryan.

Advisors

We are in the process of putting together information about clubs to distribute during our school visits. Please let us know the following:

1. Are you taking new members in 2024
2. What projects will you accept in your club in 2024. (Make sure you have a knowledgeable advisor for projects you accept.)
3. Who will be your head Advisor? (The Main Advisor responsible for all the paperwork and liason to Extension office).

NEW Volunteers:

Advisor applications are available on the website and at the Extension Office. Please hold off on getting fingerprints until our 2023 4H Online year rolls over. Fingerprints can be done after November 15th for new advisors.

Be sure to visit the Urbana TSC Store during Paper Clover Days October 4th-15th. The money raised supports local 4-H. Champaign County 4-H is very grateful for our local TSC. They help sponsor our King of the Ring Contest each year, give buckets to our horse exhibitors and dairy exhibitors. Give back by purchasing your supplies at Urbana TSC.

Ohio 4-H Achievement Record

The gateway to state and national 4-H opportunities, trips, and experiences!

The Ohio 4-H Achievement Record is a comprehensive record of a 4-H member's career, accomplishments, and achievements. It is a great way to capture all the experiences they have had in 4-H, practice for filling out future job or college applications, and get a head start on applying for scholarships.

There are 27 project area categories in which to apply, such as individual animal projects, citizenship, community service, clothing, creative arts, woodworking, shooting sports, leadership, and more! 4-H members can submit multiple achievement records in different categories based on their 4-H involvement. State winners in each category win a trip to events such as National 4-H Congress, National Dairy Conference and the Shooting Sports Teen Leadership Institute. These events encourage members to expand their skills, engage with other 4-H members, and inspire them to make an impact in their communities!

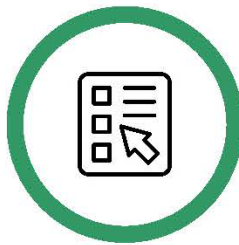

How do I get started?

Start by filling out the Achievement Record. The Ohio 4-H Achievement record can be found at ohio4h.org/awardsandscholarships. Sections include 4-H project work, 4-H participation, major 4-H honors, 4-H community service and citizenship activities, 4-H educational leadership, office and committee leadership, and non-4-H experiences, in addition to a written 4-H story and photo page reflecting on the member's 4-H experiences and impact.

1. Contact your county office

Contact your county 4-H professional for information about county deadlines, review process, and what local opportunities may be available through completing the achievement record!

2. Complete the Achievement Record

Complete all sections of the achievement record form. Be sure to follow the guidelines and show a cumulative record of your 4-H career! Applications can be tailored to the project area you are applying for.

3. Submit to your county office

Submit to your county 4-H professional by the deadline. State selections are made in February and state winners are notified in the spring.
