Dear 4-Her:

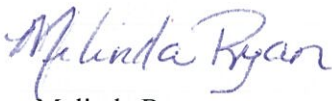

It is time to fill out applications for Champaign County's Food, Fashion & Creative Arts Board.

The former Food & Fashion Board has expanded their criteria beyond strictly nutrition & clothing projects and will now include any family and consumer sciences project. In addition to clothing & nutrition projects, this expansion will include any project that is judged during judging week. This is an exciting opportunity for those 4-H members who have completed one of these type projects in 2019 and are planning to complete one in 2021. ***The present members of the 2020 Food, Fashion and Creative Arts Board must reapply in order to be considered for the 2021 Food, Fashion and Creative Arts Board.***

The Food, Fashion and Creative Arts Board will consist of not more than 15 older youth (freshman & older) who will provide special services to 4-H in the area of family and consumer sciences. They will also be expected to volunteer time to help assist with county judging and fair activities.

The applications should be returned to the Extension office by December 6, 2020. Come join in the fun and apply to become a member of the 2021 Food, Fashion and Creative Arts Board.

Sincerely,
Your 4-H Team
