# Successful Co-Parenting

**What is Successful Co-Parenting?** Successful Co-Parenting is an educational program that helps parents minimize the negative effects of separation and divorce on children as they adjust to the process of parenting together while living apart. It is offered in cooperation with the Champaign County Common Pleas Courts and conducted by Sofia Carter, Champaign County Family & Consumer Science Educator. Parents can register to attend the course outside of the court system if co-parenting education is of interest.

**Where Are Classes Located?** All in person classes are held in the Champaign County Community Building, which is located at 1512 S US Hwy 68 in Urbana, Ohio 43078 in the Conference Room B or C. For questions, contact our office at 937-484-1526 if you wish to take the course online.
